

Wicks Unlimited your Global Leader
For All of Your Candle Combustion Needs

3.8 mm Standard Neck Sustainers

Wicks Unlimited manufactures and supplies five (5) unique 3.8 mm standard neck metal wick sustainers that enable candle manufacturers to create tabbed wicks from waxed wick on reels. Standard neck 3.8 mm candle sustainers are available with 15.0 mm or 20.0 mm base diameter(s) for easy gluing. Often found in tealight and votive candles, 3.8 mm sustainers feature puncture crimping that enables manufacturers to develop candles that consume all the fuel (wax) at the end of life. All of Wicks Unlimited metal candle sustainers, including 3.8 mm sustainers, are manufactured from the highest quality .010" (0.254 mm) thick tin-coated steel that helps inhibit corrosion caused by fragrance and essential oils and are preferred by candle manufacturers worldwide.

Features:

- U.S.-based manufacturer & supplier of metal candle sustainers.
- Select from five (5) 3.8 mm standard neck metal sustainers with either a 15.0 mm or 20.0 mm base diameter to create tabbed wicks from waxed wick on reels.
- Standard neck sustainers featuring a neck height of 3.8 mm are available with puncture crimping.
- Metal sustainers with puncture crimping enable manufacturers to develop candles that consume all the fuel (wax) at the end of life.
- Patented crimping tool exerts additional pressure on the wick core without shearing the fibers, ensuring a solid crimp every time and preventing the wick from pulling out.
- The crimp will meet or exceed all standard operating requirements for crimp hold.
- Manufactured from the highest quality .010" (0.254 mm) thick tin-coated steel to inhibit corrosion caused by fragrance and essential oils.
- Wicks Unlimited's sustainers are accredited by the Quality Association for Candles and adhere to strict quality standards thanks to ISO: 9001:2015 certified quality management systems and state-of-the-art equipment.

Non-Puncture Sustainers

Sustainer	Base Diameter	Overall Height	Hole Diameter
A3789	15.0 mm .590"	3.8 mm .150"	2.4 mm .094"
A3015	15.0 mm .590"	3.8 mm .150"	3.0 mm .118"
A3840	15.0 mm .590"	3.8 mm .150"	3.8 mm .150"
A3786	20.0 mm .788"	3.8 mm .150"	2.4 mm .094"
A3793	20.0 mm .788"	3.8 mm .150"	3.0 mm .118"
